

JANUARY 2011 KUWAA MISSION PRAYER LETTER

Dear Prayer Warriors,

Continue celebrating the Advent, Christmas, and Epiphany season. In the season's message we are reassured that because Jesus was incarnated, born, lived, suffered, died, and rose again, we are born into the incarnational life, real life in Christ! The altruistic life! The rewarding life!

www.kuwaamission.org In December 2010, I stepped down as the CEO of the Kuwaa Mission for health reasons. The Board of Directors decided that Rev. Dr. D. Jensen Seyenkulo and I should exchange positions. He is now the CEO of the Kuwaa Mission while I am the Chairman of the Board. The Board also asked Jensen to become a full time volunteer missionary for the Mission. The Lord persuaded him to accept the challenge. We are presently trying to find prayer warriors and supporters for him. Please see our website for information and how to adopt him as your missionary.

The Kuwaa Mission must consider enlarging operations. The Mission is investigating the possibilities of becoming a full nonprofit organization and an auxiliary of both the ELCA and LCMS. The

Mission needs a CEO who can travel to Liberia to help keep the Mission alive and well over there.

We ask you to pray for Jensen as he begins his reign as the Mission's CEO. Pray for the Mission, its volunteer personnel, the Kuwaa people, and the work projects before us in the next few months. Praise God for how he continues to bless the Mission.
