Chairman,  
Board of Directors**

I am really excited about what is going to be happening in the Kuwaa Chiefdom in the next few months. Even though we got a late start much work will be done. 3 ½ wells will be dug and several will be repaired and/or deepened. A teacher training workshop will be held followed by a workshop on how to teach Sunday school.

Cindy Watkins Ellis and Ed Stelling will be heading over there in March for 3 weeks. Cindy will be surveying the work and handing out school supplies to the schools, medical supplies to several villages, and more water filters.

*The Kuwaa Mission Office in  
Monrovia, Liberia*

Jensen Seyenkulo is over there right now to visit his ailing father. Prayers are requested. He will come back to the States and then return to Liberia for a few weeks. He needs to make contact with government

and non-profit leaders about the work.

Your prayers are requested for Cindy's and Ed's trip and the work to be done and for Jensen's trip.

More exciting news! We are planning to be at the Alaska Synod Convention with a display, the Rocky Mountain Synod Convention, and the Pacific Southwest District LWML Convention.

Other gatherings may be in the works also. These events are great places for us to get the word out about the Kuwaa Mission to many people. Last year we did the LWML International Convention and the LW International Convention. We are very pleased at the response from these appearances.

The word about the Kuwaa Mission is spreading. More people are getting involved.

Once again, if you would like someone to speak at your congregation, the mission will make every attempt to have a representative be there. We need more people and congregations to partner with us in helping the Kuwaa people help themselves.

Lent has started. We of the Kuwaa Mission, ask a special blessing upon each of you during this season as we prepare for the great celebration of his resurrection on Easter. May each of us be touched by the Spirit in a special way bringing us closer to our Savior!

*Evangelists & Deacons  
in training*

May we be lead to a better understanding of what Jesus had to do for us in his suffering and death and resurrection!

God's mighty blessings to each of you!

Your fellow servant,  
Dick Thompson, Chairman of  
the Board of Directors
